

ViSaWen Women's Club

The ViSaWen Women's Club was founded in 1935 and has been working to support children, veterans, the needy and the community ever since.

The club is known for its beautiful quilts and craft items. Members gather at their clubhouse located at 66918 Avenue C in Salome every Monday to quilt and work on other projects.

Business meetings are held at 2:30 the first Thursday and social gatherings are held on the third Thursday during September through May.

If interested in joining this volunteer group of women please contact Pat Pisarski at 602-762-5641.
